- .NET CORE
- HTML 5
- Rest API
- MySQL
- VB.NET

RIZAL RUBY RAHMAN

Web Developer | Software Engineer

PROFILE

Hello, my name is Rizal Ruby Rahman and I'm a web developer with 5 years of work experience. I have skills in programming languages such as JavaScript, PHP, and C#, as well as experience in using frameworks like Laravel and ASP.NET. Additionally, I have experience in using databases such as Microsoft SQL Server and MySQL. I really enjoy working in teams, but I can also work independently. I always strive to improve my skills in web development and I also enjoy learning about new things.

WORK EXPERIENCE**PT TOS Information Systems Indonesia | Software Engineer**
September 2024 – Now

- Maintained and enhanced manufacturing web applications based on ASP.NET, including bug fixes, performance optimization, and feature improvements
- Maintained desktop applications using VB.NET
- Maintained and developed mobile applications using Flutter and Xamarin
- Developed and printed QR code stickers that can be scanned through mobile applications for identification and tracking purposes
- Developed a web-based vehicle production tracking system to monitor manufacturing processes in real time
- Built a staff attendance system to record employee check-in and check-out digitally

PT Sysnetsoft | Web Developer

August 2020 – September 2024
